LETTER FROM THE PRESIDENT

SHARON MURRILL

"YOUR SUCCESS IS OUR BUSINESS"

WELCOME TO THE SOUTHWEST MOBILE COUNTY CHAMBER OF COMMERCE

It's hard to believe that we are entering the final quarter of the year. As you all know, it is one of the chamber's busiest times of the year, with us already having kicked off our Guns and Gear Giveaway. Tickets are on sale at www.swmccchamber.com through the end of October for \$50.00 per ticket. What makes this raffle so unique is that only 200 tickets are sold and each ticket is re-entered into the daily drawing regardless of whether it has been drawn previously. That means each ticket has the chance to be drawn up to twenty times! The drawings will begin on November 1st and will end on November 10th. Proceeds from the raffle support the SWMCC Foundation which provides scholarships for our T.A.L.L. students, so be sure to purchase yours today!

Speaking of supporting our T.A.L.L. students, we also have our 2nd Annual Sporting Clay Shoot Fundraiser which will be held on September 13th. This would be a great team-building opportunity for many businesses, so please consider participating. It is \$100.00 per person or \$400.00 for a four-person team. If you are interested in signing up, you can register online now. If you would like more information, please contact Tina or Hope by emailing info@swmccchamber.com. The preregistration period is open through Friday, September 6th.

Our September Luncheon is quickly approaching and we are excited to have David Clark, President and CEO of Visit Mobile, as our guest speaker. We hope you all take advantage of the networking opportunity provided at our monthly luncheon. This is a great way to spread the word about your business, special sales, or celebrations with like-minded business owners and employees. Please be sure to preregister if you plan to attend as there is limited seating.

The holidays are also quickly approaching and the Chamber Board and staff are in the midst of planning our four Christmas events. If you are a partner and would like to be involved in the planning and execution of these events, please consider joining our events committee. If you are interested or would like more information, please reach out to a member of our staff. The biggest of these upcoming Christmas events is the Tillman's Corner Christmas Parade. Last year, we had a record number of participants and we are looking to continue growing. Applications to participate in the parade are available in the Chamber Office or you can email info@swmccchamber.com for a digital copy.

With the holidays approaching, we want to encourage you to let the chamber staff know of any special events, sales, or anniversaries you would like the chamber to promote on your behalf. "YOUR SUCCESS IS OUR BUSINESS" and we want to help make this last quarter of the year as successful as possible for all of our partners. Annual nominations for the SouthWest Mobile County Chamber's Citizen of the Year and Impact Award are open through October 1st. These nominations are a great way to recognize fellow partners for their outstanding work and community outreach efforts.

FIRST RESPONDER SPOTLIGHT

THANK YOU FOR YOUR SERVICE

Congratulations to Detective Christian Holt from the Mobile Police Department Precinct II on being selected as the Officer of the Month for August of 2024.

Detective Christian Holt was recognized for his accomplishment at our Business Luncheon on Wednesday, August 7th, 2024. The SouthWest Mobile County Chamber of Commerce would like to say thank you for your outstanding efforts and continued commitment to our community! He is pictured to the right, alongside Captain Matthew James and Century Bank Representative Jason Prater.

Deputy Tanner Whipkey was also recognized for his efforts on Wednesday, August 7th by being named the Deputy of the Month. The Chamber would like to thank him for making the sacrifices he has to protect others in our community. Deputy Whipkey is pictured to the left with Chief Deputy Andrew Peak and Jason Prater, who is a representative of Century Bank. We would also like to thank Sheriff Paul Burch for his continued support of this recognition program. The Chamber is proud to have the opportunity to recognize local first responders and greatly appreciate those who help make this recognition possible.

In addition, the SWMCC would like to commend Firefighter Shelby Lambert of the Theodore Dawes Fire Rescue for his exceptional work. Lambert was recognized on August 7th as our Firefighter of the Month for his faithfulness to serve and protect our community. He is pictured to the right with Chief Deputy Andrew Peak of the

Mobile County Sheriff's Office and Bonita Tanner of the Theodore Dawes Fire Rescue. The Chamber is honored to have the opportunity to show appreciation towards these individuals for their bravery and dedication to our city. We appreciate the efforts of all three departments as well as their leadership for continuing to support the SouthWest Mobile County Chamber and its partners.

BROUGHT TO YOU BY

The SouthWest Mobile County Chamber of Commerce would like to thank Century Bank for sponsoring our Officer of the Month and Deputy of the Month Programs. We so appreciate their willingness to continuously recognize such outstanding members of our community. "Century Bank is a proud member of the communities we serve. Our involvement in extracurricular activities, fund raisers, organizations and other local events is a priority for directors, officers and employees of Century Bank."

The SWMCC would also like to thank the Mobile County Sheriff's Office for sponsoring our Firefighter of the Month Program. Sheriff Burch and his team are always willing to step up and help show appreciation to local first responders. "With three decades in law enforcement, he has served in several roles including uniformed patrol, general investigation, homicide investigation, and narcotics/VICE investigation. These accomplishments highlight Paul's dedication to serving the citizens of Mobile in a professional, respectful, and trustworthy manner." Without partners like Century Bank and the Mobile County Sheriff's Office, the Chamber would not be able to impact the SouthWest Mobile County Area as it has.

T.A.L.L PROGRAM

As many of our partners know, the Chamber has a Student Scholarship Program for high school seniors called the Tillman's Corner Area Learning Leadership (T.A.L.L.) Program. Throughout the eight month program, students have the opportunity to tour local businesses, visit the State Capitol,

In order to provide scholarships for these students in April, we need your support. This month there are two fundraisers that will support the SWMCC Foundation, which provides scholarships for our students. The first of these fundraisers is our 2nd Annual Sporting Clay Shoot on September 13th. For more information on this event, please see page seven of "The Corner" newsletter or visit the chamber website. The second fundraiser is our Annual Guns & Gear Giveaway. NEXT LEVEL

Do you know your Chamber?

The earliest chamber of commerce in the United States was established on April 22, 1912. They named it the US Chamber of Commerce, and it still exists today. They focus on protecting the interests of American businesses. The first chamber of commerce ever created came about in 1599 in Marseille, France. Its purpose was to gather merchants, industrialists, traders, and craftsmen to discuss and tackle community challenges. The chamber of commerce was a place of unity, even among competitors. Their voice soon became a persuasive power in the community. Yet numerous smaller chambers have cropped up throughout the nation as a voice for local area businesses. Their purpose is the same, just on a smaller scale. Local chambers tackle both issues and trends taking place in their community as well as offer resources and services to help local businesses succeed. The American Business Magazine posted statistics recently about chambers: 44% of consumers are more likely to think favorably of businesses who are members of their local chamber, 63% of consumers are more likely to buy products or services from businesses who are members of their local chamber, Consumers view chamber of commerce members as trustworthy and are 12% more likely to believe their products or services are better than competitors.

The Chamber of Commerce organizations are not cookie-cutter organizations. Every chamber is unique, with different benefits, resources, and opportunities. However, the end goal is the same to serve as an influential voice and power that stands for the well-being of the local business environment. This includes helping to promote our local businesses and improve their growth. From regular networking and volunteer events to promotion and marketing packages, your membership/partnership will gain you access to opportunities to make connections, meet potential new clients, and gain exposure to your brand. A local chamber of commerce organization has a reputation for standing up for the local community and its economy. When your business is associated with their name, it gives the perception that you stand for these things, too. As a result, consumers trust you more and want to support your mission.

Gaining exposure is hard, especially if you're a new business. With a Chamber of Commerce membership/partnership, you gain resources that make this much easier. This may include exposure through physical newsletters, e-newsletters, social media posts, and other forms of publication. From committees to mixers to ribbon cuttings and more, you'll find various opportunities to connect with other businesses every single month. Most of our events are free or discounted to members, making them an affordable way to network.

A Chamber of Commerce does more than serve as a marketing vehicle for local businesses. It has an important role in local government affairs as well. We serve as a voice for the local business owners and industries.

This includes addressing issues that may arise with new regulations, fees, taxes, costs, or assessments applicable to the businesses we serve. Your role is relevant and your opinion becomes part of the many contributed voices that form the chamber's views. A chamber of commerce is a community within itself. It brings its members together to not only benefit the community, but also to benefit each other. Through various events, you will meet, network, and connect with a wide array of influential professionals. It's up to you to make the connection, of course, but the opportunities are plentiful. Many businesses grow their customer base and their network through chamber sponsored or hosted events. Through regular newsletters, we update our members on various news and issues that are happening within the community, as well as spotlight featured businesses or new businesses. Our chamber offers reduced rental fees for conference room space, discounted event tickets, or affordable promotional tools.

Explore the levels of partnerships that are available through this chamber, as well as what unique benefits we offer. Your level of commitment should be based on the results you want to see. From directory listings to spotlight features, exposure, and sponsored events, you can gain access to valuable promotional opportunities at a fraction of the cost it would take to do them yourself. Plus, with an established local chamber having numerous connections within the community, you will find that your ability to make a local impact grows exponentially.
