"In Step With Progress"

Message from the President

It's finally spring again! It's slowly getting warmer, the days are getting longer, and business is getting better. The new VA Clinic is open! A beautiful state of the art facility, the VA clinic will be bringing thousands of veterans to Tillman's Corner every month. The new Foosackly's is killing it; soon to be followed by Jimmy Johns, Rock'n Roll Sushi, and Whataburger. And landmark restaurants, like Dick Russell's are still pulling traffic off the interstate. If you're hungry come to Tillman's Corner!

New businesses are popping up everywhere and thankfully many are joining the chamber. Be sure your business is a member and part of the tremendous growth in Southwest Mobile County. Your chamber was busy in March. Home 2 Suites hosted a hugely successful Business After Hours; Time To Eat did a magnificent job catering – it was awesome! Over 50 folks enjoyed great food and highly beneficial networking. Our monthly Coffee at the Chamber, every third Tuesday of the month, was a sellout crowd. The annual First Responder's Breakfast was also a huge success; our community really stepped up to show our First Responders how much we appreciate them.

As noted last month, your chamber has partnered with Alliance Publishing Group to produce a 2019-2020 South Mobile County Magazine. Every member will be listed in this glossy informative magazine. Sales are now open to purchase larger ads to showcase your business. Contact Tina or Keith Lott now for more information.

Hopefully, you have noticed that your chamber received a facelift. With help from BLP Mobile Paint, our building has a whole new fantastic look. Thanks to the generosity of County Commissioner Jerry Carl and City Councilman John Williams, we were able to get a much needed paint job. Please tell them how much we appreciate their support.

As always, check the chamber calendar to be sure you don't miss our great events. Our guest speaker for the monthly chamber lunch Wednesday, April 3rd is the new University of South Alabama Football Coach, Steve Campbell. Go Jags! See you all there!

Pete Riehm, SWMCC President

Boys & Girls Club - Sonny Callahan Branch's 2019 Youth of the Year

My name is Amyah Banin, I am an eighteen-year-old senior at Theodore High School and I attend the Sonny Callahan Boys & Girls Club. My cousin introduced me to the Club 10 years ago and I fell in love with the dynamic program. The Boys & Girls Club has had a tremendous impact on my life. Participating in the Club has helped me interact better with others and allowed me to come out of my shell. I am fifty percent

Ghanaian, and for some odd reason I use to be ashamed of that. The Boys & Girls Club made me feel special and truly embrace who I am. The staff motivated me to stop being shy and boosted my confidence. While attending Theodore High School I made a name for myself by being active in sports, many clubs and focusing on my academics. I have played soccer, track and field and of course cheer throughout my high school career. I found my passion in cheer through a friend at the Boys & Girls Club and I have volunteered to coach other girls there to help them find their passion as well. I am proud to say that I am a cheer captain and participate in Student Council and Key Club all while being a Nursing Academy Ambassador and being in several National Honor Societies.

MONTHLY BUSINESS LUNCHEON

April 3, 2019

Networking 11:30 am / Meeting 12:00-1:00 pm

Steve Campbell, Head Football Coach at the University of South Ala

Steve Campbell was hired as head football coach at the University of South Alabama prior to the 2018 season after recording three national championships as both a student-athlete and coach in addition to posting a career .750 winning percentage over 19 years while leading four different institutions.

In his first year guiding the Jaguars, South faced a schedule that featured eight opponents who would go on to play in a postseason bowl including both participants in the inaugural Sun Belt Conference Championship Game as well as American Athletic Conference West Division champion Memphis. Under his direction nine Jags picked up all-Sun Belt honors and senior wide receiver Jamarius Way — who was among the top three in the league in catches and receiving yards per contest — received an invitation to participate in the annual NFL Scouting Combine in Indianapolis.

His efforts also helped junior running back Tra Minter lead the conference and rank in the top 10 in the country in all-purpose yards per game, highlighted by the first 200-yard game rushing in program history in a season-ending victory over Coastal Carolina.

Campbell, 52, came to South after a four-year stint at Central Arkansas. In addition to being named the Southland Coach of the Year.

He was twice named the national Coach of the Year, earning those honors three times at both the conference and region levels while 28 of his student-athletes received All-America accolades and 17 were selected Academic All-Americans.

In his first 19 seasons as a head coach, Campbell — who was inducted into the NJCAA Hall of Fame in 2014, and also served as the President of the NJCAA Coaches Association in 2012 — never guided a team that finished with a losing record while compiling a 159-53 overall mark.

Campbell began his coaching career as a graduate assistant under Pat Dye at Auburn in 1988-89, and during that time the Tigers would go 20-4 overall and 12-2 in the Southeastern Conference while playing in the Sugar Bowl and defeating Ohio State in the Hall of Fame Bowl. He moved on to become the offensive line coach (1990-91) and offensive coordinator (1992) at Delta State, also serving stints as the offensive coordinator at Nicholls State (1993-95) and as running backs coach at Southwest Mississippi C.C. (1996). In 2002, Campbell was the offensive coordinator at Middle Tennessee, and the following year he coached the offensive line at Mississippi State on the staff of Jackie Sherrill.

After beginning his collegiate career at Southeastern Louisiana, Campbell moved on to Troy where he was a part of the Trojans' 1987 NCAA Division II national championship team; during his two years with the program the team went 22-3 with a 16-0 record in the Gulf South Conference en route to claiming back-to-back league titles. He was named first-team all-conference at center his senior year. A native of Cantonment, Fla., Campbell received his undergraduate degree in economics from Troy in 1988, and a master's degree in business administration from Auburn in 1990. He and his wife, Shellie, have three children: Kelsie, Steven Jr. and Tate.

In addition to a full-range of urgent care services, MainStreet Family Care also delivers a variety of primary care, wellness and occupational health services. Since opening in December of 2017, the KidsStreet Urgent Care and MainStreet Family Care clinic in Mobile has not only treated over 11,000 patients, but has also given back to the community. Whether it's a Christmas Parade, Relay for Life, or supporting local schools and churches, you can likely find their mascot, Dr. Wags, out and about, raising awareness about community issues, events, and fundraisers. In the last year we partnered with Big Brothers/Big Sisters for their BIG Walk and Pub Run, the Mobile Police Department for their Chili Cook Off, and Fox 10 for their community Car Seat Safety Check.

Greer's is 5th generation family owned and operated with 30 local community grocery stores and 4 Ace Hardware Stores serving families in AL, MS and FL. W.C. Griggs Elementary School

The student body at Griggs currently has 683 students, including 447 (65%) Caucasian, 146 (21%) African American, 69 (10%) Hispanic, 11 (2% Asian), and (9) 2% American Indian/Alaskan Native. Many of our students live in non-traditional homes and are being raised by a single parent, grandparents, or other family members. An increase in the number of students who are doubled-up or who live in hotels has been noted over the past several years.

As a 21st Century School, Griggs is at the forefront of the district in technology implementation with SMARTBoards, document cameras, student/teacher laptops, and iPads/tablets in every classroom. Our interactive Media Center offers a combination of eBooks and printed materials, as well as collaboration areas for student and teacher use. Griggs has two fully operational computer labs plus a Cyberstation, which incorporates a T. V. Studio, an interactive whole group instructional area, and three collaboration tables. As an Alabama Math, Science, and Technology (AMSTI) School, our teachers receive on site professional development and opportunities to participate in Professional Learning Teams.

The SERVPROs in Mobile County (SERVPRO of South Mobile County, SERVPRO of Southwest Mobile, SERVPRO of North Mobile County, and SERVPRO of Mobile Northwest) are independently owned by the Mayhall family. The Mayhall family has proudly been a part of the Mobile community for four generations and have been serving the greater Mobile area for nearly a decade now. Our company core values are what truly drives everything that we do. In addition to reinforcing the level of service we provide to our clients; our core values drive us to give back to the amazing community we serve. The Mayhalls firmly believe that what we do is about more than the services we offer, it's about what we can do for others. From that principle evolved SERVPRO Serves, which became home to such programs as Feeding Firefighters, Fridays at the Firehouse, and Crawfish for a Cause. We truly enjoy giving back and have plans to expand the program even further through our Caring Closet.

We also take pride in being a "one-stop" shop and offer a full line of cleaning and remediation services to meet the needs of our clients. In addition to fire, water, and mold, we also provide floor, HVAC and textile cleaning, as well as climate-controlled contents storage. As a member of the national network of more than 1,500 SERVPRO franchises, we are also an active Storm Response Team, traveling all over the country to help those in need after a natural disaster.

Thank you Mobile, for allowing us to serve you and we look forward to continuing to do so in the future!

Mobile, Alabama, on the Gulf of Mexico, is home to Evonik's largest North American site. The 700 or so employees here produce hydrogen peroxide, fumed silica, and the animal feed additive methionine, among other chemicals. In addition, we have extended to the U.S. our production of alkoxides, which are used as catalysts in biodiesel production: Alternative energy forms from renewable raw materials are also gaining increasing popularity in the region. Evonik's specialty catalyst for biodiesel production makes it the global market leader in the field.

BOYS & GIRLS CLUBS OF SOUTH ALABAMA

Our mission is to enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.

This mission means so much to me as a person serving in this club because often times we see the light in children dim tremendously by their situations big and small. We offer these children opportunities that they may not otherwise have a chance to participate in. At the Boys & Girls Club we offer a variety of programs ranging from Academic Success, Career and Life Skills, Social Recreation, Athletics, Arts and more. We have an Afterschool program from August to May and a Summer Program from June to July. During our summer months we heavily focus on Summer Brain Gain a program designed to prevent summer learning loss. We hope to continue impacting lives, because GREAT futures Start Here!
