Letter From the President

Happy New Year! I hope you were all able to enjoy time with family and friends during the Christmas holidays. What a great time of the year to be able to slow down, relax, and enjoy spending time with those who mean so much to us.

I'm sure most of you are like me and felt like 2023 was the fastest year ever. Although the time seemed short, our Chamber accomplished so much last year. We were blessed to end the year with 243 partners and welcomed many new partners to our Chamber. We appreciate everyone sharing the news of the good things going on at SouthWest Mobile County Chamber. Each of you are helping us grow, and for that, we are extremely appreciative.

Last year, Curtis' slogan was "Strength in Numbers." I feel that this served us well and kept us focused as we continued to grow last year. This year we want to be an encouragement to our partners, always be forward thinking, and continue to meet the needs of our community. Our slogan will be "Whether you're downtown, in town, or around town your success is our business." We hope you will embrace our mission and join us as we grow our Chamber.

Our January Luncheon will be quickly approaching after the new year, January 3rd. This luncheon will provide us with the opportunity to hear from the many politicians who will be running for office. Please mark your calendars and join us as this will be a great way to hear the different platforms and allow you to make an educated decision on election day.

We are making some changes to our Diplomat program so be listening for opportunities to join this team who promotes our Chamber, assists with our events, luncheons, and helps with outreach to potential partners.

I look forward to serving as President of the SouthWest Mobile County Chamber in 2024. I am so blessed to be a part of this Chamber and have enjoyed serving and volunteering for many years with many of you. I hope you will all engage with us in 2024 as we strive to promote our partners and make a difference in the community we serve.

To be successful, you have to have your heart in your business, and your business in your heart." — Thomas Watson Sr.

POLITICAL FORUM

The SouthWest Mobile County Chamber of Commerce will be hosting a political forum during its January Luncheon. Political Candidates running for certain offices in 2024 will be given an opportunity to speak. In order to participate, participants will need to be preregistered. Each candidate will have a table along the side of the Auditorium they are responsible for decorating. They may place campaigning materials on their assigned table, but should refrain from placing campaign materials around the building. After each candidate has a chance to speak, luncheon attendees will be able to visit any table of their choosing and ask further questions. If you are interested in participating in the political forum, please reach out to the Chamber Staff at (251) 666-2846. YEAR IN REVIEW

During the Business Luncheon, we will take a moment to commemorate 2023. The year was filled with record-breaking events, countless awards and recognitions for Chamber Partners, and unforgettable acts of service towards the Tillman's Corner Community. On behalf of the SouthWest Mobile County Chamber of Commerce, we would like to say thank you to 2023 Board President Curtis Polk for his dedication to this Chamber. Mr. Polk has given 110% not only over the past year while serving as President, but since he became a representative of the Chamber. Many of the SWMCC's great achievements would not have been possible without his leadership and service. We look forward to continuing to work with Mr. Polk as he joins our Advisory Board.

SWMCC CHRISTMAS EVENT WRAP UP

The SouthWest Mobile County Chamber of Commerce would like to say thank you to the sponsors, volunteers, partners, participants, and Tillman's Corner Community for making its 2023 Christmas Events possible. Although this year's Christmas Parade was postponed due to the threat of inclement weather, the participants and community rallied to show their support.

With over 70 entities, this year's parade has been deemed one of the largest in the parade's history. It was also found to have unwavering Community support with a record crowd. If you were unable to participate this year, we would love to see you in next year's line-up. The Chamber allows walking groups, floats, antique cars and more!

more about our judicial system. This was an amazing opportunity for our students that they will be able to look back on for years to come.

The SouthWest Mobile County Chamber of Commerce's T.A.L.L. students visited the Mayor's Office on Tuesday, November 28th. A special thank you to Mayor Sandy Stimpson and his staff for welcoming our students and allowing them to learn

The TALL Students also enjoyed volunteering at the Chamber's many Christmas Events over the past month. The group had the opportunity to serve hot cocoa at the Christmas Tree Lighting, assist with crafts at VIP Pancakes & Pajamas, help children with their Letters to Santa at the Pancake Breakfast, decorate for the Board and Diplomat Christmas Party and ride in the Christmas Parade. They are pictured to the left at the Christmas Tree Lighting on November 27th.

The City of Mobile, Burton Property Group (BPG) and Kessler Capital announced last month plans to develop Mobile's first (and currently only) mixed-use waterfront hospitality and entertainment development. River Walk Plaza will be located on city property on the opposite side of Water Street from the end of Dauphin Street. The new project will sit adjacent to the Mobile Convention Center, bookending the Gulf Quest Maritime Museum and Cooper Riverside Park. The idea was made a reality following the City of Mobile's request for proposals last year for a potential development on the downtown waterfront. BPG is a Mobile-based real estate developer, and Kessler Capital is a Savannah, Georgia-based hospitality developer. Alabama native, architect Gray Reese, President of Gray Reese LLC. Architects, is designing the project. River Walk Plaza is intended to be a destination venue for living, working, dining, and interacting with the waterfront. The site will include high-end condominiums and a luxury hotel; class-A office space; and multiple food, beverage, and retail options. To allow for better logistics, the project will be engineered to provide vehicle and pedestrian access over Water Street and the CSX train tracks. The project is targeting a groundbreaking for early 2025.

Media, Pennsylvania-headquartered convenience chain Wawa broke ground at its first store in Mobile County last month at the intersection of Cottage Hill and Sollie Roads with plans to open by November 2024. Last month's groundbreaking was the second in the region, after one held in June 2023 in Fairhope. Two more additional sites were also announced as under contract. One at the intersection of Schillinger and Old Government Street in West Mobile, and another at Schillinger and Silver Pine roads in Semmes. Wawa invests approximately \$6.5 million in new stores, and each location employs up to 40 employees. Wawa also presented a \$5,000 donation at the event to Feeding the Gulf Coast, reportedly providing 25,000 meals for needy families.

A new Piggly Wiggly grocery store opened last month to fanfare. It is located at 306 S. University Boulevard in West Mobile. The footprint, formerly home to another grocer called Bruno's Supercenter, will house a number of local

partners. These include Flying Pig Coffee Co., Bistro Foods, Three Georges, Namans International Foods, Pigfish Seafood, Lush, Vital Juice, Royal Pharmacy, Cammie's Old Dutch Ice Cream Shoppe and Fresh Sushi.

Pratt Thomas with Merrill P. Thomas Co. Inc. and David Tunstall with McAleer Tunstall Company, LLC represented the sale of a .75 acre of property for \$647,500. The land is located near the intersection of Schillinger Road S and Hitt Road and will soon be home to a Freddy's Frozen Custard and Steakburgers eatery. A grand opening is for later this year.

Cornerstone Caregiving leased some 2,404 square-feet of office space found at 3201 Dauphin Street in Mobile. Leigh Rendfrey of CRE Mobile represented the tenant in the transaction. Chris Harle worked for the landlord on the deal. The company will move its headquarters to the new, larger footprint sometime during the spring of this year from their current site at 2655-B Old Shell Road.

Last month the U.S. Army Corps of Engineers leased 10,240 square-feet of renovated office and warehouse space located at 1242 Montlimar Drive in West Mobile. Chris Harle with White-Spunner Realty represented the landlord in the transaction. Tim Mills of The Cummings Co. worked for the tenant.

A 6,650 square-foot property, found at 2051 Government St, in Mobile was sold last month for \$1.14 million. It was bought by Lyons Capital Group and is currently leased by an Advance Auto Parts retailer. The transaction was handled by Pratt Thomas with Merrill.

Just 4 Us Lounge leased a 3,600 square-foot building found at 2301 Dauphin Island Parkway in December, and plans to open early this year, according to Pratt Thomas and Pam Helland of Merrill, who handled the deal.

Orlando, Florida-based Tex-Mex chain Tijuana Flats, held a restaurant grand opening in December at 283 McGregor Avenue in West Mobile with events supporting the Dumas Wesley Community Center.
